HUNTERS SHARING THE HARVEST
PENNSYLVANIA'S VENISON DONATION PROGRAM

www.sharedeer.org

There are now 1.5 million families in Pennsylvania in need of food assistance. Many of these families access the resources of local food banks to help put food on the table for themselves and their children. When hunters donate an average-size deer they help us feed up to 200 people. Generous donations of money go directly to the costs of processing and storing the meat. Every \$25 donated helps us to process meat for 100 meals. In the 2020-2021 season, HSH coordinated the delivery of 190,302 pounds of high protein meat to hungry people.

Since 1991, the Hunter's Sharing the Harvest venison donation program, (HSH) has coordinated the processing and distribution of donated wild game from hunters to hungry people throughout Pennsylvania. This sportsmen-inspired outreach program effectively channels wholesome venison via a network of approved deer processors and food banks down to local charitable organizations in our urban and rural communities. HSH has evolved as a respected partner with deer management practices throughout the Commonwealth, and together with the PA food banks, food pantries and charitable hunger-relief organizations that play a critical role in filling the gaps for families and individuals at risk of hunger; we are able to put food on their tables.

The HSH program is a registered 501c3 non-profit charity, with funding and support primarily derived from a mix of public and private sources. It has developed into the preferred nationally-recognized model many other states have now replicated. From its inception, HSH was founded as the signature mechanism for Pennsylvania hunters to demonstrate their personal and compassionate decision for helping low-income individuals and families with extra venison. Many wildlife management units in Pennsylvania offer multiple deer tags, longer seasons and special hunting opportunities that result in extra deer being donated to our program.

Based on this unique concept of sharing, the program's success is due to the cooperation of our processors, our volunteer county coordinators, our board of directors, state legislators, state and local agencies, in concert with our colleagues from a dedicated outdoor news media. All these components work together with a common mission to maximize the best-utilization of a valuable wildlife resource to help others needing food assistance.

HSH remains the most effective social-service program for hunters and wildlife managers to directly make a difference for those in need. More than 1.5 million Pennsylvanians are classified as living beneath the lowest-income poverty level, and as the recent economic downturn escalates, the need and requests for food assistance continues to grow.

HSH is looking for those who can assist on the county level acquiring donations, deer processors and educating their communities about this program. Donations of deer, monetary donations through our Buck for the Pot campaign, or through HSH sponsorships and grants, and volunteers donating their time are greatly needed to fuel our program. Help us continue to exceed our annual goal of 100,00 lbs of donated venison to help feed the hungry.

PENNSYLVANIA'S VENISON DONATION PROGRAM

Do you know there are now more than 1.5 million families in Pennsylvania in need of food assistance? Many of these families access the resources of local food banks to help put food on the table for themselves and their children. When you donate an average-size deer you help us provide up to 200 servings of lean, high-protein venison. Your generous donation of money will go directly to the costs of processing and storing the meat. Every \$25 donated helps us to process meat for 100 servings. To date, HSH has coordinated the donation of approximately 2 million pounds of venison from generous hunters to the food insecure in Pennsylvania. This volume was reached because people got involved and helped.

Since 1991, the Hunter's Sharing the Harvest (HSH) venison donation program has coordinated the processing and distribution of donated deer from hunters to hungry people throughout Pennsylvania. This sportsmen-inspired outreach program effectively channels wholesome venison via a network of approved deer processors and food banks to local charitable organizations in our urban and rural communities. When you donate an average size deer, plus a small processing fee, we can feed up to 200 hungry people. Statewide Area Coordinators and Meat Processors are ready to assist you. For information, and a list of coordinators, meat processors and food banks in your area, visit our new website at www.shareddeer.org!

Since 1991, the Hunter's Sharing the Harvest venison donation program, (HSH) has coordinated the processing and distribution of donated wild game from hunters and municipal herd reduction sources to hungry people throughout Pennsylvania. An average-sized deer will provide enough highly-nutritious, low-cholesterol meat for 200 meals. This sportsmen-inspired community service outreach effectively channels this wholesome venison product via an integrated network of approved deer processors and food banks down to the most local charitable provider organizations in our urban and rural communities. HSH has evolved as a respected partner with deer management practices throughout the Commonwealth.

Based on a unique concept developed by Pennsylvania hunting interests, the program's yearly deer season accomplishments are based on the cooperation of our dedicated volunteer county coordinator base, board of directors, legislators, state and local agencies, in concert with our colleagues from a dedicated outdoor news media. All these components work together with a common mission to maximize the best-utilization of a valuable wildlife resource to help those in need.

The HSH program is a registered 501c3 non-profit charity, with funding and support primarily derived from a mix of public and private sources. Individual financial donations also come from generous hunters and non-hunters who uphold a strong belief in supporting the outreach effectiveness of their own brand of social service. HSH has developed into the preferred nationally-recognized model many other states have now replicated. From its inception, HSH was founded as the signature mechanism for Pennsylvania hunters to demonstrate their own personal and compassionate decision for helping those low-income individuals and families with extra venison. Many wildlife management units in Pennsylvania offer multiple deer tags, longer seasons and special hunting opportunities that result in extra deer being donated by sportsmen and women year 'round.

HSH remains the most effective social-service program conduit for hunters and wildlife managers to directly make a difference, often form actions that take place in the fields and forest. Now more than 1.5 million Pennsylvanians are classified as living beneath the lowest income poverty level and are food insecure. Requests for additional food assistance from food banks and charitable outreach programs has increased. In an average hunting season, the HSH program's goal is to channel 100,000 pounds of processed venison annually through the states 21 regional food banks; we then redistribute it to more than 5,000 local provider charities such as food pantries, missions, homeless shelters, Salvation Army facilities and churches, as well as to families in need.

Thank you for your help, understanding and support as we work toward achieving our mission of delivering wholesome, high protein meat to those in need.

HOW TO DONATE A DEER

Donating a deer through Hunters Sharing the Harvest is a very simple process. Drop off a whole deer at one of our participating processors found closest to where you live or hunt. You may also donate any portion of a deer. Simply let the processor know to set aside a specified amount to be reserved for the HSH program. You will be asked to pay the portion of the processing fee that applies to your kept venison.

Simply follow these steps to donate a deer:

Enjoy a safe and successful hunt

Carefully field-dress, legally-tag and report your deer harvest

Take the whole deer to any HSH processor near where you hunt or live

Complete the HSH donor receipt form verifying your donation

HUNTERS SHARING THE HARVEST

SPONSORSHIP & DONATION OPPORTUNITIES

Do You Know? There are 1.5 million families in Pennsylvania in need of food assistance. Many of these families access the resources of local food banks to help put food on the table. Since 1991, Hunters Sharing the Harvest has coordinated the processing and distribution of donated venison from hunters through a network of approved deer processors and food banks reaching local provider organizations in urban and rural communities.

How it Works: HSH provides a network to collect and distribute that donated meat. The program begins when the hunter delivers a deer to any of our participating deer processors. The processor then grinds, bags and temporarily stores the venison for distribution to the food banks. Venison is a high-protein, low-fat and 100% natural food source, and is in great demand by food distribution centers across the Commonwealth. Processed meat is distributed via the state's 21 regional food banks (www.hungerfreepa.org & www.feedingpa.org) which then channel it to more than 5,000 local providers such as food pantries, missions, homeless shelters and churches.

How You Can Help: Like most non-profits, HSH encounters greater funding challenges each year, as more deer being donated mean increased processor reimbursement expenses. This is why your commitment to participate is so greatly appreciated. Your sponsorship gift helps ensure our processors are paid in full now and in the future. In addition, a major sponsorship gift at the corporate level identifies your business/organization as one that cares about natural resources, the outdoor experience and contributing to the quality of life in communities across Pennsylvania.

To Support HSH: Visit the donation page on our website at www.sharedeer.org; email our HSH office at info@sharedeer.org; or call HSH toll free at 1-866-474-2141.

All contributions are greatly appreciated.

Future developments. The IRS has created a page on IRS.gov for information about Form W-9, at www.irs.gov/w9. Information about any future developments affecting Form W-9 (such as legislation enacted after we release it) will be posted on that page.

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, payments made to you in settlement of payment card and third party network transactions, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the

withholding tax on foreign partners' share of effectively connected income, and

4. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct.

Note. If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners' share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.

Definitions of Sole Proprietor from SWIFT website

What If I Use Subcontractors?

Pennsylvania Workers' Compensation Act Section 302 (a) & (b) provides that a contractor is responsible for the payment of compensation benefits to employees of uninsured subcontractors. Contractors shall not subcontract all or any part of contract unless the subcontractors used have presented proof of insurance. Consequently, all contractors should keep workers' compensation certificates of insurance on file to prove coverage.

What If the Subcontractor is a Sole Proprietor?

Sole Proprietors with no employees are not required to carry workers' compensation insurance. However, detailed information must be provided to SWIF to prove that the individual is a true independent contractor. If SWIF determines that the sole proprietor is your employee, you will be charged for his/her payroll as per the appropriate classes on your policy. It is your responsibility to provide SWIF with all appropriate documentation to resolve their employment status. Currently workers compensation coverage for sole proprietor(s) is available through the State Workers' Insurance Fund.

Dear Owner of a Deer Processing Establishment,

As a participant in the Hunters for Sharing the Harvest program your deer processing establishment must be compliant with federal and/or state laws. Enclosed are the necessary forms and applications for obtaining a Registration from the Pennsylvania Department of Agriculture under the Food Safety Act of 2010 (3 C.S. §§5721 – 5737) as a custom **deer processor**. This registration application and inspection requirements has been specifically developed in partnership with and in consultation with the Hunters Sharing The Harvest Program's deer processor/directors Rick Fetrow, Kip Padgelek and Lorne Peters. Our goal is to minimize any inconvenience and make registration easy, while ensuring uniform food safety criteria and quality control in the future. Please note the integrity of the HSH venison charity is a foremost concern, and this change is a state requirement that will yield long-term positive benefits for you as a processor, as well as for the ultimate consumers receiving food assistance.

If your processing establishment is approved and inspected by USDA, US Department of Agriculture, and those same processing facilities are used for custom deer processing, you do not need Registered with the PA Department of Agriculture (PDA). Only facilities not inspected by USDA and who are providing custom deer processing services require registration and inspection by PDA. If any additional retail food store or food processing operation exists at this same establishment, please contact the Department to discuss proper licensing.

The enclosed material must be fully completed and returned to the appropriate Regional Office as listed below. Please note failure to provide all required information could delay your application approval. The Department of Agriculture, Regional Food Sanitarian and/or Supervisor, will review the application and contact you to if further information or clarification is needed, or if approved to schedule a registration inspection prior to your opening for operation. If your application is disapproved, you will receive a written letter stating the reasons for the application disapproval. Applications can be resubmitted at any time. Please allow 3 – 4 weeks for processing.

DO NOT SEND MONEY WITH THIS APPLICATION. Registration fees will be collected at the time of the Inspection. NO CASH accepted, checks or money orders only, payable to Commonwealth of PA. Initial registrations and annual renewals are \$35.00

Sincerely,
 The Bureau of Food Safety & Laboratory Services Staff
