

HUNTERS SHARING THE HARVEST

PENNSYLVANIA'S VENISON DONATION PROGRAM

Did you know there are now 1.5 million families in Pennsylvania in need of food assistance? Many of these families access the resources of local food banks to help put food on the table for themselves and their children. When you donate an average-size deer, plus a small tax deductible deposit, you help us feed up to 200 people. Your generous donation of money will go directly to the costs of processing and storing the meat. Every \$25 donated helps us to process meat for 100 meals. In 2019-2020, HSH coordinated the delivery of 160,455 pounds of venison from 4,110 donated deer that helped to feed those in need. This record amount was reached because people got involved and helped.

Since 1991, the Hunter's Sharing the Harvest (HSH) venison donation program has coordinated the processing and distribution of donated wild game from hunters to hungry people throughout Pennsylvania. This sportsmen-inspired outreach program effectively channels wholesome venison via a network of approved deer processors and food banks down to local charitable organizations in our urban and rural communities. HSH has evolved as a respected partner with deer management practices throughout the Commonwealth, and together with the PA food banks, food pantries and charitable hunger-relief organizations that play a critical role in filling the gaps for families and individuals at risk of hunger; we are able to put food on their tables. The HSH program is a registered 501c3 non-profit charity, with funding and support primarily derived from a mix of public and private sources. It has developed into the preferred nationally-recognized model many other states have replicated. From its inception, HSH was founded as the signature mechanism for Pennsylvania hunters to demonstrate their personal and compassionate decision for helping low-income individuals and families with extra venison. Monetary donations go directly to the costs of processing and storing the meat. For every \$25 donated, 100 meals can be served to the hungry. Memorial contributions are also an appropriate gift as a way to express personal sentiments while helping to fight hunger.

Deer Donations

Hunters, donate a whole deer to one of our participating processors in your county/area at no cost to you. There is no longer a fee or co-pay for dropping off a deer and donating the meat.
