## Hunters Sharing the Harvest Open in Kane

Hunters Sharing the Harvest (HSH) is a non-profit venison donation program unique to the state of Pennsylvania founded in 1991. Since 1991, the HSH venison donation program has coordinated the processing and distribution of donated deer from hunters to people in need throughout Pennsylvania. Over the last 29 years, HSH has collected and distributed over 1.5 million pounds of hunter-donated nutritious venison to hungry Pennsylvanians through food banks, soup kitchens, churches and directly to families in need. Last year more than 4,000 hunters donated deer providing 822,000 meals to people in need. One donated deer provides up to 200 meals.

McKean County is the final Pennsylvania County to join the HSH program now making all 67 PA counties active in HSH. Generations Forestry, Inc. of Kane, PA is the McKean County volunteer coordinator of

ed deer. Hunters are not charged a fee for deer donated to HSH, and the distribution of processed venison is provided at no cost to those in need. All donated venison will remain in McKean County helping our local communities. To donate a deer, simply drop off the deer at Generations Forestry, Inc. located at 26 Payne's Road, Kane, PA 16735. Business hours for Generations Forestry, Inc. are Monday - Friday 6:30 a.m. to 5:30 p.m. After hours and weekend donations are accepted by calling 814-598-0232 to set up an appointment.

Generations Forestry, Inc. and HSH would like to recognize three local sponsors and landowners who have helped make the McKean County HSH possible: Collins Pine - Kane Hardwood Division, Forest Investment Associates, and RAM Forest Products.
