PROUD PARTNER OF **HUNTERS FOR THE HUNGRY**

UltraSource is proud to partner with Hunters for the Hungry. Since the program's inception, Hunters for the Hungry has brought millions of pounds of venison to communities across the United States.

Take advantage of these special savings offered exclusively to processors participating in the program. First time customers purchasing \$100 or more will also receive a New Customer Welcome Kit!

If you have questions about these offers or need assistance with placing an order, feel free to contact an Operational Supplies Specialist near you.
